The program is located in Madrid, which is the center of government, the home of the Spanish Parliament (las Cortes) and is a thriving cultural and educational Capitol City.

A metropolis of three million, Madrid is also known as the artistic centre of Spain with world-renowned museums and galleries and an active nightlife. The Nebrija campus is located in the vibrant university area of the city.

ACCOMMODATIONS

Students live with host families in either double rooms or singles. Breakfast and dinner are taken with the host family. Students may also live in residences on the University campus with other international students for an additional fee.

CLASSES & ACTIVITIES

Students participate with other students from around the world in the Hispanic Studies Programs, which includes complementary activities such as movies, guided walks through old Madrid, visits to the Prado Museum, Archaeological Museum, Royal Palace, Senate, Congress, etc. Students participating in the summer program can opt to spend a long weekend enjoying the sights and cultural attractions of Barcelona for an additional fee.
